Warm weather

As we return to school after the Easter holidays the children are able to wear the summer uniform. Please ensure your child is prepared for the warm weather by wearing suncream to school, bringing a hat to wear and a water bottle. As stated in our Health & Safety policy, staff are not allowed to administer suncream and children are NOT allowed to bring suncream to school due to possible risk of sharing with others and potential allergic reactions if cream is shared. Parents are welcome to come to school at any time during the school day to reply suncream if required.
